# This Land and Peoples Mapping Activity

## Directions

Using the map provided, label the following land features and the traditional homelands of Peoples of North America. Work with the people around you to make sure you are completing this activity correctly. Be as accurate as you can be.

Use the color pencils on the table near the door or your own. Color light because of how you are going to have to label your map.

## Geographic Features

Use this map - <https://www.freeworldmaps.net/northamerica/>

Use the following symbols to help you label these features.

^^^^^^ = Mountains

Dark blue line = Rivers

Color light Blue - Bodies of Water
